All equipment is used at the lessee's risk. The Adirondack Runners exercises precaution in keeping our equipment in good condition. Conditions which prevent satisfactory operation of equipment do not relieve lessee of his/her responsibility for rental charges.

Lessee assumes all responsibilities for equipment while out of possession of lessor and promises to return such equipment to The Adirondack Runners in as good condition as it was at the effective date of the lease, Lessee shall be liable for any loss, theft, damage or destruction of clock/timer and all leased components.

All equipment loss or damaged beyond repair will be paid for by the lessee at the regular replacement price and all damaged equipment which may be repaired will be repaired by the manufacturer on the return thereof and the cost for such repairs shall be paid by the lessee.

Rental charges cannot be applied against the purchase price or cost of repairs of such damage or lost equipment.

Scheduled rental rates begin when equipment leaves the shop and continues until returned hereto.

The Adirondack Runners (Lessor) has the right to waive or request a deposit if they deem necessary. Such monies would be refunded to Lessee upon return of the equipment in the condition in which it was, effective the date of the lease.

I agree that all charges for rental, damage, or material will be paid, and that all collection fees, attorney fees, court costs, or any expense involved in the collection of these charges will be borne by me in the court of the county in which indebtedness is incurred.

In lieu of gas expense, we ask that if the Adirondack Runners will be delivering the clock to your event, that a free entry to the event be included.
